Witch Dungeon Museum

You are welcome to come along as we venture to Salem's premiere historic site, located on the harbor. Discover 330 years of Salem's history as you experience this museum and collection of historic buildings. You will discover a mysterious secret staircase were you least expect it. The House of Seven Gables also has an 18th century granite sea wall, and two seaside Colonial Revival Gardens. The museum houses more than 2000 artifacts and objects, more than 40 framed works, and much more. Then on to the Witch Dungeon Museum which features a live witch trial, a most entertaining presentation of justice. It's located right where it all happened back in 1692.
