Welcome to the world's greatest zoo - the Bronx Zoo! As the flagship of the largest network of metropolitan zoos in the country, the Bronx Zoo is the heart of the Wildlife Conservation Society and their work to save wildlife and wild places around the globe.

With award-winning, cutting-edge exhibits featuring over 4,000 animals, there is no other zoo in the world that offers the diversity, superb viewing, and world-renowned expertise that assures a rewarding experience and the knowledge that you can make a difference in the world around them.

Whether you're nose-to-nose with Western lowland gorillas in the famous Congo Gorilla Forest, spotting snow leopards in the naturalistic Himalayan Highland Habitat or experiencing almost an acre of an indoor Asian Rain Forest, you're always within roaring distance of the world's most amazing wildlife. In the end, you'll know that your admission fees went to a conservation organization that has more expert researchers in the field than any other. Together, we're making a difference.
