Ellis Island is a symbol of America's immigrant heritage. From 1892 to 1954, this immigrant depot processed the greatest tide of incoming humanity in the nation's history. Nearly twelve million landed here in their search of freedom of speech and religion, and for economic opportunity.

Under management of the National Park Service, the monument has been preserved for generations to come. The National Park Service works to provide everything you need for a memorable visit.

Located on a 12 acre island, the Statue of Liberty Enlightening the World was a gift of friendship from the people of France to the people of the United States and is a universal symbol of freedom and democracy. The Statue stands 305 feet tall and her hands are almost 17 feet wide. The Statue of Liberty was dedicated on October 28, 1886, designated as a National Monument in 1924 and restored for her centennial on July 4, 1986.

Package Includes: Transportation and Ferry Ride to Ellis Island and a 45 min. Observatory Tour at the Statue of Liberty.
