The Show will transport visitors to dozens of destinations covering the globe. Among the most impressive will be **India**, a land of colors, textures, scents and sounds that will come to life amid a shower of flowers in an Indian wedding scene. **The Netherlands**, with its rainbow of blooms, will be portrayed in a floating flower market filled with over 100,000 blooms. The natural wonders of **South Africa** will be captured in flowers that depict the vivid colors and patterns of costumes of the Zulu. The Amazon jungle of **Brazil** will unfold in an otherworldly canopy of sparkling waterfalls, tropical flora and exotic wildlife. **Singapore**, the "Pearl of Asia," will be presented in a luminescent tribute to the orchid, and **New Zealand**, a rugged land of beauty, will explode with color and imagination inspired by the wild flora and traditions of the native Maori.
